Parents should also refer to the relevant local authority booklet for further information about the schools and the admissions process. Information on secondary transfer within each local authority is distributed annually to all Year 6 pupils in primary schools. If you require information about a school in a different local authority, you should contact the local authority or your child's school.

If you require help in making your choice of school or with the admissions process in general your local authority can give you information about a Choice Adviser who will be able to support you. Alternatively, your primary Head Teacher can help. General advice about Catholic schools can also be obtained from the Nottingham Diocese Education Service (01332 293833).

ABOUT THE SCHOOLS

These schools belong to the Nottingham Diocesan family of schools. They are founded by and are part of the Catholic Church and seek at all times to be a witness to Jesus Christ. Religious education and Worship are in accordance with the teachings and doctrines of the Catholic Church. We ask all parents applying for a place to respect this ethos and its importance to the school community. This does not affect the right of parents who are not of the faith of these schools to apply for and to be considered for places. We ask all parents and carers applying for a place to respect this ethos and its importance to the school community.

The four schools serve the Catholic families of Leicestershire and Leicester City and neighboring areas. Their first responsibility therefore is to the children of Catholic families in these areas and those children must have priority in gaining places. Additionally, Governors welcome applications from all parents and carers, regardless of faith or background who would like children to be educated in a Catholic environment. We are mindful of the mission of the Church to welcome those who are disadvantaged or marginalised. In particular, we continue to welcome children of families from other countries who have made their home in Leicestershire and the Diocese of Nottingham.

The Governing Bodies of the Voluntary Aided schools are the Admission Authorities for those schools. The Admission Authority for De Lisle College is the Blessed Cyprian Tansi Catholic Academy Trust and for St Martin's Catholic Voluntary Academy it is the St Dominic's Catholic Academy Trust. Each Admission Authority is responsible for determining the admissions policy. All decisions relating to admission applications will be taken by the Governing Body of the school or Academy applied for. The Local Authority co-ordinates the annual admissions process on behalf of the Admission Authorities.

This admissions policy including the oversubscription criteria, has been determined by each Governing Body, following consultation with the relevant trustees, other admission authorities, local authorities and other interested bodies. All admission arrangements conform to the requirements of the School Admissions Code 2012.

In determining the criteria the Governing Bodies have used the following principles:

- The responsibility to serve the appropriate Catholic population as part of the Diocesan provision.
- A desire to keep families together.
- A desire to ensure continuity of education.
- A responsibility to the wider community.

ARRANGEMENTS FOR ADMISSION OF YEAR 7 STUDENTS

HOW AND WHEN TO APPLY

All applications must be made on the appropriate Local Authority Application form. This is the legal application form. In Leicester City and Leicestershire forms are normally distributed to parents of Year 6 pupils in their primary schools. Applications can be also made online.

You should also complete a Supplementary Form for **EACH** Catholic School or Academy named in your preferences. You may also be asked to include supporting documents (see table below). The information on the Supplementary Form will enable Governors to place applications in the correct category. Supplementary Forms are normally available from primary schools or from the relevant secondary schools, they should be returned to the relevant Catholic School or Academy.

All forms should be returned by the stated closing date. Late applications can only be accepted in extreme circumstances.

HOW PLACES ARE ALLOCATED

Once applications are received by the Local Authority, details of all applicants are passed to the Governing Body of the School or Academy. Using the information on the Common Application Form and the Supplementary Form, the Governing Body

draws up a ranked list using the oversubscription criteria listed below. The Authority then allocates places on behalf of the Governing Body up to the planned admission number. Where places cannot be allocated at the first preference school, the Local Authority will allocate places at the next preferred school which has places. Governors will withdraw the offer of a place at any time up to the date of admission if they find that applicants have given fraudulent information.

ALL APPLICANTS MUST COMPLETE THE LOCAL AUTHORITY

APPLICATION FORM – the form can be completed on line – this must be returned to the Local Authority.

In addition, if you are applying because of your faith, documents in this table will enable Governors to place your application in the correct category. If you have difficulty in supplying any of the documents, please seek advice from your Priest or Minister or from the Diocesan Education Service (01332 293833).

Pupils not included in any of the above	<ul style="list-style-type: none"> • Supplementary Form

All applications will be placed in a ranked list. If there are more applications than places, the Governing Body of each school will allocate places in the order of the categories listed.

IN YEAR APPLICATIONS

Details of the application process are available from the school and from the Local Authority. Once an application has been made, it will be passed to the Admissions Committee of the Governing Body for consideration. If the respective year group total is below the published admission number for that year group, the child will be offered a place. If the admission number has been reached, the child will be only offered a place if the Committee decides that the education of pupils in that year group will not be detrimentally affected by the admission of an extra pupil.

Supplementary forms will only be available from the school or academy you are applying for, and must be returned to the school with all relevant documents.

If your child is not allocated a place, you have a statutory right to appeal (see 'Appeals'). Your appeal should be lodged within twenty school days after the date of your refusal letter.

OVERSUBSCRIPTION (WAITING) LISTS

Parents whose children have not been offered their preferred school will be informed of their right of appeal, should places become available after the date of notification they will be allocated according to the original ranking of places as established through the oversubscription criteria. At the beginning of the autumn term applications will be treated as 'In Year Applications' with waiting list being established if necessary as indicated below.

Waiting lists are ranked in the same order as the oversubscription criteria listed below. Waiting lists may change. This means that a child's list position during the year could go up or down. Any late applications will be added to the list in accordance with the order of priority for allocating places.

Inclusion on a school's waiting list does not mean that a place will eventually become available.

ADMISSION APPEALS

If a child is not allocated a place, parents/carers have a statutory right to appeal. This should be done by writing to the Clerk to Governors care of the school no later than twenty school days after the offer letter has been received from the Local Authority. The appeal will be arranged on behalf of the governors by the Catholic Schools Appeal Service and will be heard by an independent panel. The decision of the panel will be binding on the school.

FAIR ACCESS PROTOCOLS

Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced children who live in the home local authority, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. This includes admitting children above the published admissions number to schools that are already full.

APPLICATION FROM TWINS AND MULTIPLE BIRTH CHILDREN

Where the final place available is offered to a child from a twin or multiple births the Governors will normally offer places to both twins, triplets etc. even if this means exceeding the planned admission number.

FRAUDULENT INFORMATION

If the allocation of a place has been made on the basis of fraudulent or intentionally misleading information, the Governors reserve the right to withdraw the place.

OVERSUBSCRIPTION CRITERIA

Pupils with statements of special educational needs, whose statement names the school, will be admitted. This will reduce the number of places available.

First priority within each criteria will be given to siblings (see note 4) that is, children who will have brothers or sisters attending the school/academy in years 7-13 [7-11 for *St Martin's Academy*] at the proposed time of admission.

- F3 Other pupils not in any of the categories A-F or for whom there is no Supplementary Information Form or supporting documents

If a tie-breaker is needed in any of the above categories, allocation of places will be decided on a distance basis. This means that places will be allocated first to children whose home address is nearest to the school using the shortest route distance from home to school as provided by the Local Authority.

SIXTH FORM ARRANGEMENTS

ENTRY CRITERIA

Information, guidance and advice will be offered to all students within Year 11. Places in the Sixth Form will be offered following the submission of a completed application form and a meeting to provide advice on options and entry requirements to determine the College's ability to provide for the student's AS/A Level course requirements.

Offers will be dependent on achieving the following entry requirements:

1. Students will be expected to meet and preferably exceed 5 A*-C grades in the GCSE examinations, including 2 at Grade B level.
2. Students applying for Applied Science will be required to demonstrate a minimum of 5 GCSE Grade Cs.
3. A 'C' grade is considered to be the basic entry requirement for most subjects. Some departments, for example Mathematics and English, require a B grade as the minimum entry requirement.
4. Subject specific requirements are detailed in the Sixth Form Prospectus 'Beyond 16 2015-2016' which will be available from the College from late September 2014.

Students are advised to choose subjects which they wish to study for 2 years where possible, providing their choice is appropriate with respect to any identified career ambitions.

Students who gain the minimum entry requirements at GCSE will be considered for entry and will be advised on an individual basis as part of the information, advice and guidance process, if it is felt that a different program of study is more appropriate.

Planned admission number (external applications) for Year 12 is 25 students. In the event of over subscription the over subscription criteria detailed above will be used as a means of determining the offer of places. Please note however that the linked previous school will be De Lisle not linked link primary school as in admission to Year 7.
