

ADMISSIONS POLICY FOR

Blessed Robert Sutton Catholic Sports College

This policy will apply to all admissions for the year 2016-2017.

This school serves the Catholic families of Burton on Trent, including Birmingham Diocese and surrounding area. Our first responsibility therefore is to the children of Catholic families in this area and these children must have priority in gaining a place at the school. Additionally, we also welcome applications from other Christian denominations and all parents and carers, regardless of faith or background who would like their children to be educated in a Christian environment. As Catholic schools we are mindful of the mission of the Church to welcome those who are disadvantaged or marginalised. In particular, we continue to welcome children of families from other countries who have made their home here subject to places being available.

Our school is under the trusteeship of the Diocese of Nottingham and belongs to the Nottingham Diocesan family of schools. It is founded by and is part of the Catholic Church and seeks at all times to be a witness to Jesus Christ. Religious education and worship are in accordance with the teachings and doctrines of the Catholic Church. We ask all parents applying for a place to respect this ethos and its importance to the school community. This does not affect the right of parents who are not of the faith of this school to apply for and be considered for a place here.

The Governing Body is the Admissions Authority for the school and places can only be offered by the Governing Body. Staffordshire Local Authority co-ordinates the admissions process in the annual round. We are committed to providing a place for every Catholic child attending our linked primary schools.

In order to provide a system for the allocation of places, which takes into account the requirements of the Governing Body, a set of oversubscription criteria have been drawn up and agreed with the local admissions authorities and lodged with the Diocesan Education Service. The responsibility clearly stated in the opening paragraph will mean that the criteria for admission to the school will give priority to baptised Catholic children and other applications will only be considered if there are places available.

In drawing the criteria the Governing Body has used the following principles:

- the responsibility to serve the appropriate Catholic population as part of the Diocesan provision;
- a desire to keep families together;
- a desire to ensure continuity of education;
- a responsibility to the wider community;
- a desire to serve the general population

ARRANGEMENTS FOR ADMISSION

Applying For A Secondary School Place

YOUR APPLICATION - DOCUMENTS REQUIRED

Common Application Form: All applications for transfer from primary school to secondary school must be made on the Local Authority's Common Application Form. **This form should also be used for applications to the school from neighbouring authorities. (See above)**

The Supplementary Form and Supporting Evidence

In addition all applicants should complete the Supplementary Form which should be returned to the school with the common application form by the same closing date.

Parents or carers of Catholic children should also supply one of the following documents:

- A copy of the child's baptism certificate
- If the child has been received into the Catholic church, written verification, signed by a Catholic priest and stamped with the parish stamp.
- If the child is enrolled on a course of preparation leading to baptism, written verification signed by a Catholic priest and stamped with the parish stamp should be provided.

Applicants whose children are members of other Christian denominations should supply a baptism certificate or certificate of dedication.

If the required documents are not provided, the child might be ranked in a lower admissions category.

Waiting Lists – Annual Round (Year 7)

Parents whose children have not been offered their preferred school will be informed of their right of appeal and will be added to their preferred school's waiting list. Waiting lists for admission will remain open until the end of the Autumn Term in the admission year.

Waiting lists are ranked in the same order as the oversubscription criteria listed below. Waiting lists may change. This means that a child's waiting list position during the year could go up or down. Any late applications will be added to the list in accordance with the order of priority for allocating places.

Inclusion on a school's waiting list does not mean that a place will eventually become available.

Admission of children outside the normal age group

Parents may seek a place for their child outside of the normal age group for example if the child is exceptionally gifted and talented or has experienced problems such as ill health.

The school anticipates that children will be educated out of their normal age group in only a small number of very exceptional circumstances. However should you wish to seek a place for your child outside of their normal age group you should still make an application for a school place for your child's normal age group but you should also submit a request for admission out of the normal age group at the same time and follow the procedure set out by your home local authority.

A decision will then be made on which age group the child should be admitted taking into account the circumstances of each case and the best interests of the child. Once that decision has been made the oversubscription criteria will be applied to determine if a place can be offered at the school.

The school is not required to honour a decision made by another admission authority on admission out of the normal age group.

Your statutory right to appeal against the refusal of a place at a school for which you have applied is unaffected. However the right to appeal does not apply if you are offered a place at the school but it is not in your preferred age group.

ADMISSION APPEALS

If a child is not allocated a place, Parents/Carers have a statutory right to appeal. This should be done by writing to the Clerk to Governors care of the school no later than four weeks (twenty school days) after the offer letter has been received from the Local Authority. The appeal will be arranged on behalf of the governors by the Catholic Schools Appeals Service and will be heard by an independent panel. The decision of the panel will be binding on the school.

IN YEAR APPLICATIONS

An *in year* application means any application other than from Year 6 to Y7.

Applications during the School Year

Note: The current mid-year scheme will run until July 2013. After this date there is no requirement on local authorities to coordinate in year admissions, but they must provide details of how in year admissions will be dealt with.

Local Authorities are considering how they will respond to this change and further details will be provided during the course of 2012.

Until July 2013, applications for places in any year group, made during the school year, must be made to the Local Authority. Details of the application process will be available from schools and from the Local Authority. Once an application has been made, it will be passed to the Admissions Committee of the Governing Body for consideration. If the respective year group total is below the published admission number for that year group, the child will be offered a place.

If the respective year group total is full, the child will be only offered a place if there are very exceptional circumstances and if the Committee decides that the education of pupils in that year group will not be detrimentally affected by the admission of an extra pupil.

Details of waiting lists will be provided on request. Inclusion in a school's waiting list does not mean that a place will eventually become available.

Places will be offered in writing. Offers not taken up within 10 working days may be withdrawn. In cases involving school transfers that do not require a house move or where there is no need for an immediate move, arrangements may be made for the child to start school at the beginning of term to minimise disruption to their own and other children's education.

If your child is not allocated a place, you have a statutory right to appeal (see 'Appeals' above). Your appeal should be lodged within (20working days) after the date of your refusal letter.

Where requests are made, for transfer from another local school, not as a result of moving into the area, these admissions will take place, in line with Staffordshire's Fair Access Protocol, through the East Staffs Inclusion panel as a result of a successful managed move where a pupil attends for a trial period while remaining on their current school's roll. Local Authorities are required to have **Fair Access Protocols** in order to make sure that unplaced children who live in the home local authority, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. This includes admitting children above the published admissions number to schools that are already full.

Admissions may be made without such conditions in exceptional circumstances e.g. for pupils in local authority care, special educational need or for extreme cases where a pupils welfare is at risk and the move is requested by their current school.

YOUR APPLICATION – HOW PLACES ARE ALLOCATED

Once applications are received by the Local Authority, details of all applicants are passed to the Governing Body. Using the information on the Common Application Form and the Supplementary Admission Form, the Governing Body draws up a ranked list using the oversubscription criteria listed below. The Authority then allocates places on behalf of each Governing Body up to the admissions number.

On the National Offer date, Staffordshire Children and Lifelong Learning Directorate will write to all Staffordshire parents making a single offer of a school place. Children resident in the neighbouring LA's within the coordinated scheme who have made preferences for schools within Staffordshire will be notified the outcome of their request by their home LA.

An Admission Form (Acceptance) will be sent to all pupils to gather final details such as emergency contacts etc. by which parents can indicate that they accept the offer of a place at the school.

A place will be withdrawn by the Governors if the decision to offer a place is found to be based on fraudulent or deliberately misleading information.

THESE ARE THE OVERSUBSCRIPTION CRITERIA

Linked Primary Schools are:-

- St Charles – Measham
- St Edward's – Swadlincote
- Holy Rosary – Winshill
- St Modwen's – Burton on Trent

Pupils with an Educational Health and Care Plan (EHCP) or a statement of special needs whose statement names the school will be admitted. This will reduce the number of places available.

Places will be allowed within a category in the listed order of criteria.

Category A – looked after children or previously looked after children
Definition of looked after children or previously looked after children

- (a) A "looked after child" is a child who is:
- (b) (a) in the care of a local authority, or

- (c) (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in s.22(1) of the Children Act 1989) at the time of making an application to a school.
- (d) A “previously looked after child” is a child who:
- (e) (a) ceased to be looked after because they were adopted (this includes children who were adopted under the Adoption Act 1976 [see s.12 adoption orders] and children who were adopted under the Adoption and Children’s Act 2002 [see s.46 adoption orders] , or
- (f) (b) became subject to a child arrangements order (under the terms of the Children Act 1989 s.8, as amended by s.12 of the Children and Families Act 2014 - an order settling the arrangements to be made as to the person with whom the child is to live), or
- (g) (c) became subject to a special guardianship order (see S.14A of the Children Act 1989 - an order appointing one or more individuals to be a child’s special guardian [or special guardians]).

Category B – Baptised Catholic Pupils

- B1. Pupils who attend one of the linked primary schools
- B2. Pupils with brothers or sisters at the school at the time of admission
- B3. Other Catholic pupils.

Category C - Pupils belonging to other Christian churches including Eastern Orthodox Churches

- C1. Pupils who attend one of the linked primary schools
- C2. Pupils with brothers or sisters at the school at the time of admission
- C3. Other Christian pupils.

Christian churches are those churches and denominations which belong to Churches Together in England and Wales. (See definition). Note Baptism or dedication certificates will be required.

Category D – Other pupils

- D1. Pupils who attend one of the linked primary schools
- D2. Pupils with brothers or sisters at the school at the time of admission
- D3. Other pupils.

If a **tie breaker** is needed in any of the above categories or their criteria, allocation of places will be decided on a distance basis. This means that places will be allocated first to children whose home address is nearest to the school using the same method of measurement as used locally by the Local Authority. The Local Authority uses a Geographical Information System (GIS) to calculate home to school distances in miles. The shortest straight line distance is calculated using Ordnance Survey (OS) route data from an applicant's home address to the main front gate of the school. The coordinates of an applicant's home address are determined using the Local Land and Property Gazetteer (LLPG) and OS Address Point data.

Application for twins and multiple birth children-where the final place available is offered to a child from a twin or multiple birth the Governors will normally offer places to both twins, triplets etc even if this means exceeding the planned admission number.

In a very few cases, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place (eg children who live at the same address or have the same distance measurement). In this exceptional situation, if there is no other way of separating the applications then the governors will admit the additional child above the planned admissions number.

The home address is considered to be the child's along with their parent's main and genuine principal place of residence at the time of the allocation of places i.e. where they are normally and regularly living. If a child is resident with friends or relatives (for reasons other than legal guardianship) the friends or relative's address will not be considered for allocation purposes.

DEFINITIONS

Note 1 - Definition of Brothers, Sisters

Siblings (brothers or sisters) are considered to be those children who live at the same address and either:

- a. have one or both natural parents in common
- or b. are related by a parent's marriage
- or c. are adopted or fostered.

Note 2 - Definition of Catholic

1. A child baptised in the Catholic Church (Roman rite or Eastern rites) whose members are in full communion with the Bishop of Rome (Pope Benedict xvi) or his successor. Advice available from Diocesan Education Service (tel: 01332 293833).
2. A child baptised in another Christian denomination who has been received into full communion within the Roman Catholic church.

Admissions to the Sixth Form

From September 2014, Blessed Robert Sutton will have its own Sixth Form based on the main school campus. Subject information and application forms are available on the school website www.robertsutton.staffs.sch.uk or by calling the school on 01283 749450.

Each October/November, students in Year 11 and their families are invited to the annual Open Evening for admission into the Sixth Form, and given the opportunity to discuss the courses available. Subsequently, an application form should be submitted. The same entry procedures and minimum grade requirements apply whether the student is from Blessed Robert Sutton or another school.

A deadline will be published, and students asked to apply by this time. Students who apply after this deadline will be interviewed and offered places only if space is available. Students will be interviewed and offered places based on teachers' estimated grades and grades already achieved in subjects completed.

A second published deadline signifies the point at which prospective students should confirm their place. This will be the point at which the school confirms its staffing structure and decides which courses are viable. Those who try to confirm their place after this deadline, or who decline and later reverse their decision, might find that some courses are full. They will be advised and guided appropriately to choose different courses, and/or placed on a waiting list for available spaces.

Entry into a program, and/or specific courses, will be dependent on students achieving the relevant grades in the summer examinations. Students will be made aware of the minimum grade requirements for both the program and subjects they choose.

The maximum capacity of the Sixth Form allows for 100 students to be admitted into Year 12 each year. The school will attempt to exceed this limit should demand dictate, and it be possible to do so without reducing the quality of students' experiences.

Where the maximum number of students wishing to confirm places has been exceeded, priority for places will be given in the following order:

1. Pupils in the care of a local authority.
2. = Students presently studying at Blessed Robert Sutton.
2. = Baptised Catholic pupils not presently studying at Blessed Robert Sutton.
3. Students belonging to other Christian churches including Eastern Orthodox Churches, (see Note 4) studying elsewhere
4. All other applicants

In the event of a tie, applicants will be ranked according to their estimated and/or actual average points score at KS4 (including GCSE equivalents), those with the highest average point score being preferred.
